

# Missions In Malaybalay with Gabe

Dear all,

I am so sorry this newsletter is going out so late. It has been a busy semester with college applications and other school trips to attend to. Once again, I will be returning to Mindanao, ( Or Malaybalay) for more mission work. This year, we will have about twice the number of students as we had last year.

This year we will have a soccer camp, a VBS program, more construction and taking care of orphans. All this will take place at

Mindanao. We will spend 6 days there and after that we will head to Manila and do an outreach at the Ortega's Blitz. It is a big event that only happens once a year and it is big to all the Filipinos and Catholics alike.

There are 2 other trip destinations as well. There is one team going to Boracay, and another team staying in Taiwan. Please pray for everyone's safety. Also keep praying for our ministries, that they will be effective in reaching out to the Filipino youth who are lost. Pray that our ministries will help the people come to God.

## Prayer Items

- > Physical Strength & Safety
- > Reaching out to the people who know nothing of God and his love
- > Travel and ministry works will go smooth
- > Team unity and dynamics will flow smoothly

Ever since last year, I have been meeting with a few other students to discuss the next year's missions trip. We are the senior leaders who are helping with the missions trip. Since our last chaplain decided to go home to Canada, we have a new chaplain who is leading this missions trip for the first time. He has been depending on us to help him out. Since the beginning of the school year, we have been meeting at 6:30 in the morning to discuss the missions trip and all its detail and such. It has been such a great experience for all of us to lead a trip and lead our peers on a missions trip. Please pray for us leaders on the trip. Pray that God will give us a true leader's heart to serve and to make the right decisions.
